Report of Forest Fire Warden and District Chief

During this past year, the public has shown a great deal of co-operation in the prevention of fires. We wish to express our thanks for a job well done.

Your forest fire warden's job would be easier if everyone understood the state laws that govern the kindling of outdoor fires, a synopsis of these laws follow.

Fire Permits

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning (SUCH BURNING IS RESTRICTED BY REGULATION TO BE PRIOR TO 9:00 A.M. and AFTER 5:00 P.M.)

An Air Pollution regulation forbids the burning of household waste in towns where such rubbish is collected by the town.

Exceptions

Commercial or industrial burning is allowed under normal conditions with permission of the District Fire Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

REMEMBER! ONLY YOU AND I CAN PREVENT FOREST FIRES

Fires reported — State, 484 fires, 244 acres; District No. 6, 46 fires, 16 acres; Eaton, 0.

HUBERT C. HARTWELL, JR.
District Fire Chief

JOHN R. EDGE, JR.
Forest Fire Warden

REPORT OF THE CONSERVATION COMMISSION

Over \$5,000 was remitted to the Town Treasurer during the year as proceeds from the selective cutting of the Town Forest.

Fire roads were opened in the Paul Hill area and it is hoped this work can continue in other sections of the town.

Final State and Federal approval for assistance in the purchase of the Foss Mountain area has been received and we await only receipt of the Federal funds for completion of this project.

Heavy snow came before we were able to carry out plans for the annual old car removal, but this project will be continued in 1971.
